

Nuclear Free Local Authorities English Forum / Steering Committee joint seminar

Friday 30th September 2016, Room 301, Manchester Town Hall, Albert Square, Manchester, M60 2LA, 1.30 – 2.45pm

The renewable alternatives to the 'Hinkley Point C' development

- **The NFLA's 'Get it from the Sun' (GIFTS) initiative**
- **The rapid rise of renewable energy around the world**
- **The importance of developing renewable heat projects**
- **How energy storage solutions are the missing link for overcoming renewable intermittency**
- **The key roles of local authorities and community energy cooperatives in delivering this low carbon revolution**

Professor Keith Barnham

Imperial College and author of 'The Burning Answer – A User's Guide to the Solar Revolution'

"The renewable energy revolution and why Councils should support the NFLA's 'Get it from the Sun' (GIFTS) initiative"

Pete Roche

NFLA Steering Committee / Scotland Policy Advisor

"The district heating revolution and 'green gas' support schemes"

A summary of their report on such matters is available at the NFLA website as New Nuclear Monitor 42:

http://www.nuclearpolicy.info/wp/wp-content/uploads/2016/08/NFLA_New_Nuclear_Monitor_No_42.pdf

This seminar will allow you to understand much more on the great potential of decentralised, renewable energy and why there are a number of obvious alternatives to new nuclear build.

Nuclear Free Local Authorities English Forum / Steering Committee joint seminar

Friday 30th September 2016, Room 301, Manchester Town Hall, Albert Square, Manchester, M60 2LA, 1.30 – 2.45pm

The seminar is a free event open to NFLA members and officers, non member local authorities, nuclear and environmental policy NGOs and those interested in this subject matter.

If you are planning to attend, could you please fill in the appropriate details and post, email or fax to the address at the bottom of this form:

Name	Authority / Group	Correspondence address (email or postal)

Venue and local hotel details:

Manchester Town Hall is in the city centre and is around a short 15 minute walk from both Piccadilly and Victoria Train Stations. The 'St Peter's Square' Metrolink tram stop is directly behind the Town Hall with regular connections between the two train stations and across Greater Manchester. If you type into 'Google maps' the postcode 'M2 5DB' a map can be printed off. Alternatively a map is available from the Manchester City Council website.

There are a number of pay and display car park spaces and multi-storey car parks close to the Town Hall.

To look for overnight accommodation go to the 'Visit Manchester' website – <http://www.visitmanchester.com/stay>

Please return this form to:

Sean Morris, NFLA Secretary, c/o Policy, Partnerships and Research, Level 5, Town Hall Extension, Manchester, M60 2LA

Telephone: **0161 234 3244**

Email: s.morris4@manchester.gov.uk

Further information on the NFLA can be found at:
